

Your Genealogy: Research, Organize, & Solve **with Michael John Neill**

- **Problem Solving Applied to Genealogy**
- **Organizing Online Research**
- **Researching the Entire Family and Beyond**
- **Finding Barbara's Beaus and Gesche's Girls**

The focus is YOUR genealogical work.

- Methodologies and examples of discovery.
- Ideas to move your research forward.
- Approaches to interpretation of results.

Join us for Michael's practical and down-to-earth presentation with just the right amount of humor. He is a National Lecturer on Genealogical Research.
