

# 1907 School Funding Petition

*To the Honorable Board of Supervisors of the County of San Mateo.  
Gentlemen:*

*The Undersigned respectfully represent that they are citizens and taxpayers of and within San Mateo County; that the salaries paid the teachers in the grammar schools of San Mateo County are less than the average salaries paid in corresponding counties in the State of California; that as your Board is well aware, the expenses of living have increased twenty-five per cent. And over, and there has been a corresponding increase in wages paid laborers and other employed persons; that the salaries of teachers in the grammar grades have not increased except in rare instances and that the salaries paid such teachers are disproportionately low when compared to other occupations.*

*Your Board is in a position to grant a measure of relief by increasing the County School tax XXXXX which tax at the present time is below the average school tax in the State of California.*

*WHEREFORE your petitioners respectfully pray that your Board increase the rate of school taxes to be levied by your Board on the third Monday in September, next, five (5) six (6) cents above the rate levied last year, for the purpose of providing funds for bringing the salaries of teachers up to the average paid in this State.*

*Respectfully submitted, -*

*Dated August 29, 1907*
